Alumni Network

Evolving

Leadership Longview's Alumni Network is a fellowship of ingenious, aspiring leaders in the Longview and Gregg County community who want to make a difference through the investment of their time, talents, and resources. The Alumni Network provides a forum for discussion, training, and awareness while uniting people of vision and skill together with the needs and service opportunities of the community.

We invite you to be a part of a group that will build upon your acquired leadership skills by providing you with intensive training, community engagement, and reconnecting you with other aspiring leaders in your community. Leadership Longview Alumni Network offers a \$75 membership to all graduates of Leadership Longview who want to further invest their time and talents, in enriching their own lives and surrounding communities.

"Leadership is practiced not so much in words as in attitude and in actions."
